Memo

Petition no - 696 of 1892

Petitioner. Basave'gonda
of Balloor.

Prior to 1881 Basave'gonda (Petitioner) and one Malle'gonda had been jointly doing the Patelships of Balloor. Disputes arose between them and Basave'gonda filed a suit (OS no. 29 of 1880-81) against Malle'gonda in the Court of the Deputy Commr Hassan District for the recovery of the said Patelship.

The Deputy Commr decided the suit in favor of Malle'gonda and confirmed the office to him only.

24-2-81

Basave'gonda then preferred an appeal to Government against the above decision.

The Government after calling for a report from the Deputy Commr passed the following order:-

8-12-81

"The Deputy Commr reports that both the appellant (Basave'gonda) and Malle'gonda the present Patel have equal

claims to the office of patel in the village, that in regard to their status and other circumstances they are on the same footing of equality but that the village being small both in regard to population and assessment the necessity for two patels does not exist and that the appointment of one of them as honorary patel might give rise to disputes in the village.

The Dewan concurring in the above view confirms the existing arrangements."

Since then Malle'gowda alone had been doing the patel duties until his death which took place in April 1890. After the death of Malle'gowda, Basave'gowda the petitioner requested the Taluk and the District authorities that he might be appointed Patel. Thenna basave gowda son of Malle gowda also requested that he might be appointed Patel.

In June 1890 the Amildar of Belur reported to the Deputy Commr. that the Barabanti Register prepared in 1864 mentioned first the name of Basave'gowda under the heads "Cultivators" and "person actually doing the duties"

that the said Register mentioned Malle'gowda's name next under the heads above referred to, that on the death of Basan gowda petitioner's father in 1874, Basane'gowda petitioner had been appointed patel, that the said petitioner had been, as borne out by the record, doing the duties until the year 1880 and that the patel duties might be divided between the petitioner and Malle' gowda's sons.

On the 3d July 1891 the Deputy Commr ordered that when Basane'gowda petitioner had appealed to Government the case had been decided against him, that in the face of this Government decision nothing could be done, and that Channabasa gowda son of Malle'gowda (deceased) should be appointed patel in lieu of his father.

On the 20th December 1891 Basane'gowda prefers an appeal to this office against the above order. He alleged that his family alone had the "hak" to the said patel, that in or about 1865 Malle'gowda had been appointed joint Patel

with the consent of his (Petri's) father and that the Deputy Commr was wrong in appointing Bhenna basane Gowda son of Malle Gowda as Patel in preference to him (Basane Gowda).

On the 18th February 1892 this appeal was rejected by Government on the ground that it had not been preferred within the prescribed time.

Basane Gowda then again presented another petition to this office that owing to illness he had been unable to prefer the appeal within the prescribed time and that he should be appointed Patel. 3-6-92

On the 24th June 1892 the Deputy Commr was requested by this office to state whether the petitioner was so sick as to be unable to appeal in time.

In reply to this, the Dy Commr states that the petitioner was sick from September to November 1891 and that he seems to be still sick. 26-7-92.

According to the Regr of 1864, the fathers of the appt, & the father of the Respt, who were unconnected with each other were Patels. On the ground that there should be only one Patel for the village, Respt was appointed sole Patel of the Village in 1880. Appt then brought a regular suit for the office, & it was dismissed & the dismissal was confirmed by Govt on appeal in 1881. Sir,

In reply to the several
official communications No. 18,
dated 25th October 92, forwarding
for report a petition from Bara-
yoodha of Bachan village in the Bachan
Taluk praying for the partition
of the said village, I have the
honor to submit herewith the
usual memorandum, Proceedings
connected with the case, and copy
with the accompanying report No. 88
1036
of the 4th instant and I state

that it would appear from the above recital that the present petitioner Muttegowda and the petitioner's father Basavegowda were jointly doing the duties till 1873, when Basavegowda resigned his connection with the office. The new inamdar and the old Muttegowda were jointly continued to do village Patelgiri (1873-74) when the new department settled the remuneration payable to the Patels. The petitioner both the Patels' amount for the first year and Rs 60 for the second year. This led to a complaint by the petitioner, and the result of the investigation was the appointment of Muttegowda by Colonel

2 in the village.

The petitioner had quarrelled with the above named deceased for about 3 years, and when his opponent unintentionally died in April 1913 and his eldest son Chinnadurai pounded was recommended for the vacant post the petitioner tried again a chance of getting the post by the result of enquiry against which a protest on the matter was entered in favour of Chinnadurai pounded as the son of the deceased unintentionally (vide his letter order No 1913 dated 3rd July 1913). This led the petitioner against whom enquiry in official Government.

as sole Patel under the late Chief Commissioners orders directing that there should be only one Patel for each village. In the Year 1880, the petitioners protested against this order and Colonel Hill, in his endorsement dated 20th December 1880 referred the petitioners to a regular suit. The petitioners accordingly filed a suit in this Court and the decision arrived at by Mr Krishna Swami, the then Deputy Commissioner, was that he saw no reason to interfere in the matter as both parties had equal in degree of right to the office and as such Colonel Hill gave better preference to Kulkarnis in selection to the office &c

We are satisfied with this decision

the petitioners preferred an appeal to Government in 1881, who hearing the records and report submitted from this office, were pleased to order in their Proceedings No. 7187 dated 8th December 81 that the existing arrangement should be continued on the views entertained in this office report stating that Kudligondda and the petitioners had equal claims to the office that in regard to their status and other circumstances, they were on the same footing of equality but that the village being small both in regard to population and assessment the necessity for two Patels did not exist and that the appointment of one of them as honorary Patel might give rise to disputes
